CBSE/DIR(ACAD)/2021

Date: 21.09.2021

Circular No. Acad-85/2021

### All the Heads of Schools Affiliated to CBSE

### Subject – Interactive online sessions during Open Days for school heads and teachers in partnership with British Council

Central Board of Secondary Education (CBSE), in partnership with British Council is working to bring about systemic change in the school education system that focuses on a move away from rote learning to competency-based teaching and learning.

Over the last year in this project, through hands-on training, the Board has supported development of test-item writers and upskilled teachers to deliver high quality lessons, which are competency and skill-focussed, rather than content-focussed. In addition to this and for the benefit of all the CBSE schools exemplar material has been developed to support schools and teachers to adopt competency based approaches. More information about the project and the exemplar material can be accessed [here](#).

A series of interactive online sessions are being organized during open days from 28 to 30 September 2021 for all CBSE schools. The open days will bring together CBSE officials, representatives from UK-based EdTech companies and educators from across India.

Schools and teachers will have the opportunity to get acquainted with new resources co-developed by the CBSE and British Council that embed a competency-based education approach in assessments and pedagogy and discuss how schools can transform their teaching and learning using these high-quality materials. Schools will be able to understand the solutions and products they have on offer that can help schools successfully integrate competency-based teaching, learning and assessment, especially for English, Maths and Science.

The schedule for the three open day sessions is given below. You should register for the day that matches your school region. The programme for the event is the same across all three days.

Session	Open Day 1	Open Day 2	Open Day 3
