

## **Congratulations to the staff, students and parents of GIS.**

GIS participated in the nation's First E-Conference on EDUCATIONAL INNOVATIONS, "EDUCATION DURING CRISIS: FORGING A PATH TO QUALITY LEARNING" organized by NIE, MoE. GIS presented 7 presentations at the conference - one under each of the 7 themes. We take pride for achieving 10 trophies out of the 27 awards awarded to the winners at the conference.

### **The following are our achievements:**

- Most Inspiring Award and Most Sustainable Award for our Inclusivity Paper Creating an Adaptable Environment for Learning using the Principles of Universal Design for learning under Inclusivity Theme,
- Most Sustainable Award under the theme Educational Leadership in Crisis – Leading a Virtual School System in a Crisis.
- Under Online teaching and Learning theme; "Smart Learning Term" was awarded all the four awards in this category – Most Innovative Award, Most Inspiring Award, Most Sustainable Award and Best Implemented Award.
- Under Community Engagement theme Influencing the Mindset via Social Emotional Learning was awarded Most Sustainable Award, Best Implemented Award and Most Innovative Award.
- Keys to our success are the hardworking staff of GIS and the support of our parent community. Thank you all and CONGRATULATIONS!
